EXPERIENCE

BALYASNY ASSET MANAGEMENT — Hong Kong, China
Associate, Long/Short Equities — Jun 2026-Present
- Received an extension offer in recognition of strong performance and currently working in part-time capacity
- Independently owned coverage and idea generation across ~25 Australian and Korean financial stocks; pitched long Hana Financial / short JB Financial and long iM Financial / short BNK Financial, with ideas implemented in the portfolio
- Led earnings previews and engaged directly with company management through investor conferences and one-on-one meetings to validate and add conviction to investment theses
- Delivered PM-directed research on Korean life insurers' holding-company discounts, an ASX variant thesis using high-frequency data, and a housing-credit database built from scratch to support a REA short thesis.

BOSTON CONSULTING GROUP — Seoul, South Korea
Research Analyst Intern — Sept 2024-Oct 2024
- Designed turnaround strategy for an international healthcare equipments company; conducted analysis on product modality against competitors; led expert calls in Chinese to evaluate regulation risks in China market
- Researched and developed an implementation plan for an international tech hardware company to acquire a US semiconductor plant; researched regulation risks associated with CFIUS procedures

POLYMER CAPITAL MANAGEMENT — Hong Kong, China
Investment Intern — Jul 2024-Aug 2024
- Received extension offer for outstanding performance throughout the internship period
- Independently took charge of US/EU consumer coverage; conducted management meetings and in-depth research through proprietary database; reported daily stock movements to the Portfolio Manager; delivered two pair trade ideas
- Ideated and pitched Tsuburaya Fields (JP 2767), capitalizing on its underpriced royalty revenue from Ultraman IP and the market's excessive pessimism towards the pachinko machine industry

ANATOLE INVESTMENT MANAGEMENT — Hong Kong, China
Investment Research Intern — Jan 2024-Jun 2024
- Initiated deep-dive on several A/H & US consumer companies (Gambol Pet Group (301498), Birkenstock (BIRK), Techtronic Industries (0669), M&G Stationery (604899). Pitched directly to the Investment Partner and Chief Investment Officer
- Conducted proprietary field research and deep-fundamental analysis of public equities with focus on China & Korean autos/consumer/retail, at all stages of their business cycles
- Constructed financial models & Consumer Staples/Discretionary industry operational models from scratch with >20-yr tracking horizon

ODYSSEUS CAPITAL ASIA LIMITED — Hong Kong, China
Investment Banking Intern — May 2023-Jun 2023
- Drafted 2 teasers in Chinese for potential investors from mainland China; joined respective client meetings and recorded notes
- Conducted thorough summarization of macro-outlook reports, detailing industry trends to develop insights on potential deals
- Worked on 2 live deals across catering & hospitality industry; created valuation using public company comparables&DCF analysis
